Dear Larry,

Enclosed is a souvenir post card from your service as secretary-treasurer of W.P.N.S. I hope my term will be as successful as yours.

Would you do me a favor and order 200 post cards, so I can carry out the meeting notices in the same vein as you did.

I think with the new addition to the museum, the rear entrance will be a permanent thing, and the meeting room will be a variable. So word the cards as you had previously, but omit the entrance directions.  
i.e.

W.P.N.S.  
The regular monthly meeting of  
the Society will be held on \_\_\_\_\_.  
If possible, bring exhibits on our  
program which will be \_\_\_\_\_.

If you have any money left, I would appreciate several sets of address labels. Perhaps you could mail them to me and bring the post cards to the next meeting. I intend to mail letters for July meeting to advertise our August social. I won't need the post cards until August.

Thank you for your kind assistance, and I wish you great success in your new position.

Sincerely yours,

P.S. Also send the addresses for the new members--I would not like to slight anyone.

Dear Member:

On Tuesday, November 6, 1973, the W.P.N.S. monthly meeting will be held at Carnegie Museum. The program will be a talk given by W. W. Woodside, "A Glimpse of Greek Coinage." Participating members will bring exhibits on Ancient and Crusade Coinage.

On Saturday, November 17, our annual banquet will be held at Stouffer's Restaurant in Oakland at 7:30 P.M. The cost will be \$7.50 per person for members, their wives, and or guests. A cash cocktail bar will be provided for your relaxation and gab fest prior to dinner.

Ray Byrne has procured the renowned speaker and personality Eric P. Newman of St. Louis. His topic will be "U.S. Colonial Coins and Tokens."

Mr. Newman is one of the most important international contributors to the advancement of numismatics over the past two decades. His literary contributions are accepted standard works for the Colonial series of currency and coins. He is a much sought-after speaker, and was recently honored at the International Numismatic Congress for his research and findings in early Americana.

I urge every member to make an effort to attend this dinner meeting by making reservations with Ray Byrne. Call (412) 441-0738, or write 701 N. Negley Avenue, Pittsburgh, Pa. 12206 prior to November 10.

Any member or guest that can bring any coin, medal, token etc. for exhibit that would add to the atmosphere of a numismatic meeting, feel free to do so--it will bring pleasure to all present.

It is customary at this time to inform you of your dues status. You are paid up to July 19  .

Hoping to see you at the meeting, and the banquet as well.

Dear Member:

Our annual business meeting will be held at the Mellon National Bank in Oakland, Tuesday, June 4, 1974 at 8:00 PM.

Enclosed is the formal motion made on May 7, recommending the elevation of Ray Byrne to the status of Honorary Member of the W. P. N. S. According to the constitution, a vote must be taken at the June meeting.

Other business will include nomination of officers, and a discussion of coming social events. One of these social events will include an auction of items already donated for that purpose.

However, we need additional auctionable material -- anything of a numismatic or non-numismatic nature such as jewelry, antiques, trinkets, etc. that may whet the appetites of our ladies.

Three members have already given us a tremendous start with their donations. If you intend to contribute, please bring your contributions to the meeting or send them to me, so that they may be catalogued.

Sincerely,

PROPOSAL  
to  
WESTERN PENNSYLVANIA NUMISMATIC SOCIETY  
May 7, 1974

Mr. President, officers and members of the Western Pennsylvania Numismatic Society, I would like to present the following proposal for your consideration:

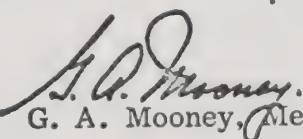

As you know, membership in this Society is an honor that goes beyond that of most other numismatic organizations by virtue of the requirements of invitation, sponsorship, recognition of accomplishment and stringent voting procedure. Along with this privilege goes the responsibility of dedication to the Society, its aims, and objectives. Some members have executed this responsibility in an outstanding manner.

Article II of the Society's Constitution provides for three types of members: Resident, Corresponding and Honorary. During the 96 years of this Society's existence, 10 members have been designated as Honorary because of their outstanding accomplishments. Only one, Mr. W.W. Woodside, is still living.

I now propose that Mr. Raymond A. Byrne's accomplishments and dedication be recognized and that he be made an Honorary member of this Society.

Mr. Byrne's activities as author and speaker, researcher, member of the United States Assay Commission, Governor of the American Numismatic Association, and Research Associate in the Department of Numismatics of the Carnegie Museum have reflected with honor on the Western Pennsylvania Numismatic Society. He has served the Society in an outstanding manner as member, secretary, treasurer, vice president, president, and chairman of innumerable committees.

In accordance with Article VI of the Constitution, I therefore propose that Mr. Raymond Byrne's membership classification be changed from Resident to Honorary in this, the twentieth year of his membership.

RAY BYRNE MADE HONORARY MEMBER OF W. P. N. S.

One of Pittsburgh's most noted numismatists, Raymond A. Byrne was recently elected to the rare rank of Honorary Member of the Western Pennsylvania Numismatic Society. In the ninety-six year history of the Society only ten members have been so honored and only one other is still alive.

The resolution which resulted in the action is as follows:

"Mr. President, officers and members of the Western Pennsylvania Numismatic Society:

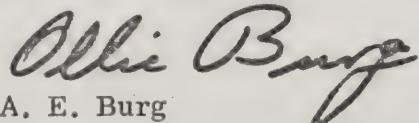

As you know, membership in this Society is an honor that goes beyond that of most other numismatic organizations by virtue of the requirements of invitation, sponsorship, recognition of accomplishment and stringent voting procedure. Dear Member Club:

At long last, and with apologies for the delay, we enclose a copy of the revised list of visual education material available to you. New slide sets are being added from time to time (regretably a few have been withdrawn) so it just never seemed to be the right time to issue a new list. Well, we finally took the plunge, even though other revisions will be made before the ripples dissipate.

We hope you will find this list helpful in planning programs in the coming year. Please read the general information, on the inside of the cover, carefully before planning a program or requesting slides. It is very important that sets be scheduled well in advance as sometimes a particular set is not available on short notice.

As soon as a set of slides is received it should be checked to determine that the slides are in correct order as listed in the lecture notes and that each one is right side up. If at all possible, try a few slides in the projector that will be used at the meeting. We've heard of instances in which slides would not fit in the projector that was brought to a meeting. Plan ahead!

Visual education material constitutes one of the ANA services available to member clubs. We hope you will use it often. In addition, report your club activities for inclusion in the Club Bulletin, list your special events in the "Calendar" in The Numismatist, and borrow books from the ANA library.

Your comments about the slides will be appreciated; just be specific and practical, please.

Sincerely yours,

SUBJECT: Application of Richard A. Gaetano.

Mr. Armor M. Murdoch, President  
Western Pennsylvania Numismatic Society

Dear Sir:

With reference to the application of Mr. Richard A. Gaetano sponsored by Mr. Richard J. Crosby, we offer the following comments--

1. We understand Mr. Gaetano is active in numismatics--active in two or three other clubs and is knowledgeable in United States Coins and Foreign Coins and also on Tokens and Medals. As for his character reference we have no evidence other than it is excellent.
2. We have learned from members in WPNS that he does work part-time and there is a fear that due to his job he wouldn't be able to make the Tuesday meetings. One other comment was the fact he wanted to have membership--but due to his job he wouldn't be able to attend--other than to give an occasional program.

We might comment here that we have a lot of members who belong who seldom attend and never give a program. Some members only attend once a year--so it is somewhat difficult to turn down a member on the same grounds, yet the new member is willing to give programs.

The membership committee recommends acceptance of Richard A. Gaetano as a member.

The Western Pennsylvania Numismatic Society's activity for the year 1976-1977 seemed to be a mirror image of Numismatic activity in general. Coin shows and clubs across the country are suffering from poor attendance. The member turnout at our Society has been worse than the previous year. We should impress old members with the value of participation, and also make the same effort with potential members. The membership committee has a vital function for the future of the organization.

The low number of really active members makes the filling of officer positions and committee slots rather difficult. The continuation of our fine program schedule becomes somewhat stagnated when the majority of speakers repeat from year to year. The number of members attending meetings averages at 10. This makes it embarrassing for officers to invite non-member speakers to give programs before such a small group. Again the solution is in support and emphasis of the membership drive.

The Annual Coin Show concept was not carried through because of the inability to get a favorable lease for such a show; plus the lack lustre commercial atmosphere for such shows during the past year. Efforts were made in the direction of the "Allegheny County Numismatic List" by Bill Hunter. It appears that this project will be carried forth to fruition.

There is also a strong possibility that we may be able to have a Society medal manufactured to commemorate the 100th year since the founding of W.P.N.S. in 1878. More details on this will be announced in the future. An additional long-range project should be the revision of the Society booklet. By-Laws and membership listing have not been brought current since 1967.

The upcoming year is one that is most significant to this Society and all members. I truly hope that the new year brings forth the effort needed to stimulate our programs, and lead us to a successful centennial. Your help is required.

The regular meeting of the Society will take place on Tuesday, September 7th at the usual time. The location for this meeting will be changed slightly. This month the meeting place will be in the basement of PITTSBURGH NATIONAL BANK at Fifth avenue & Craig Street. The entrance is at the foot of the steps at the side of the building.

This month's program will be a member participation discussion on various "Trends in Numisma." Some topics of discussion might be the recent A.N.A. convention in New York; the A.N.A. grading board or the use of the the Mint State - 70 grading system; the high values on choice U.S. and foreign coins, as a deterrent to collecting; etc. Suggestions for other topics will be appreciated from the members. Bring some of your recent purchases for exhibit.

JULY 27, 1976

This notice will serve as a reminder of our regular Society meeting on Tuesday, August 3rd at the Mellon Bank. The program will be given by Bill Hunter on the subject of "Allegheny County" and the progress of the project of the same name. Exhibits will be political items.

Annual Dues were payable as of June, so if you owe any money, send a payment to W.P.N.S. % Richard Crosby, 2543 Penn Ave., Pgh. PA. 15222.

Program for next year is being arranged. We need to see many new program speakers. Please call me at 931-4939 to give me your choice of a topic.

For the last several years we have been twisting the arms of the same few members. It is time YOU request the honor of showing how smart you are.

If we don't get volunteers, we may be forced to conduct "meatless meetings".

Plans for a 2nd Annual WPNS Coin Show are being contemplated. There is no doubt that we could conduct another show next year larger and more profitable than the last. However, I am interested in the show growing in STATURE as well as SIZE. To grow in size alone will not amount to our original goal.

Therefore, we must know if we have the support of real workers who can run committees such as; BOURSE, PUBLICITY, EDUCATIONAL FORUM, AUCTION, EXHIBIT, SECURITY, REGISTRATION, LABOR, etc. Unless I receive actual commitments to assume these duties before or during this regular meeting, I will have no choice but to determine that this Society does not have the strength to manage this undertaking successfully.

Report of the Secretary - Nov. 1074-June, 1075

Due to the untimely death of W. P. N. S. Secretary-Treasurer, Ollie Burg, it became necessary for the President to call a special meeting for the purpose of electing a new Secretary-Treasurer for the unexpired term. This was done in October, 1075, and Armor M. Murdoch was duly nominated and elected.

Since November, 1074, the Secretary has endeavored to bring the roster of members to a current status.

Three new applicants have been elected to membership bringing our number to fifty-one.

The Secretary has sent meeting notices totaling approximately 350 in seven months, and the Vice President, at his own suggestion, sent notices one month.

A good time was had by all at "Old Economy Village" on Sept. 17th. Good Food, plenty of it, and good fellowship with over thirty members, spouses and friends in attendance.

Another outstanding program of our Centennial Year is coming up on Tuesday, Oct. 4th. I hope you have saved this regular meeting date, and that we will see you there.

Nick Tutelo has the program, "Psychology of Coin Collecting". Should be most interesting to all of us. The exhibits that night will be "Old Books and Catalogs". Share yours with us.

We will meet back at the Mellon Bank, Craig Street, at 8:00 p.m. Free parking is available.

Hope you will make every effort to attend.
